

## Cancellation conditions

As the demand for the congress in Seefeld is strong and this internationally popular tourism resort is usually highly frequented it was necessary for the IPA Region Tyrol to make arrangements with the hotels at the venue three years in advance. We can only offer the tightly calculated price when we can rely on the reservation security.

Therefore, it is necessary for the IPA Region Tyrol to only accept bookings only under the following cancellation conditions:

By no later than 5 months before the start of the congress (so by 11<sup>th</sup> of December 2020, 23:59 p.m.) it is possible for the guest to cancel the reservation without being charged a cancellation fee by sending a written statement to [anmeldung-kongress-2020@amikeco.at](mailto:anmeldung-kongress-2020@amikeco.at)
